#### **2. Characteristic spirit and general objectives of Gonzaga College SJ**

Gonzaga College SJ is an all-boys private school founded in 1950 and situated at Sandford Road, Dublin D06 KF95. Gonzaga is a Catholic school which admits boys committed to the Catholic and Ignatian ethos of the school. It is a Jesuit school which aims to be a community of growth, service and faith, in which young people are able to develop the full range of their talents and abilities in a balanced and integrated way. The Jesuit motto *Ad Majorem Dei Gloriam* ("To the Greater Glory of God") summarises the overall ethos of the school which operates in the context of the Characteristics of Jesuit Education.

A central concern of the school is quality teaching and learning. Gonzaga enjoys a justified reputation as a centre of academic excellence and in promoting this we aspire to teach in accord with individual learning aptitude. We aim to promote qualities of critical thinking, interior knowledge (*sentir*) and capacity for reflection in our pupils.

Based on our conviction that human fulfilment is to be found through faith in Jesus Christ and in service of the world in imitation of Him, we seek to form pupils of competence, conscience and compassion who will strive to give Christian leadership through the quality of their lives and their commitment to work for a more just, cohesive and caring society.

### *Mission*

Founded as a Catholic School in 1950, Gonzaga College continues a tradition of education in accordance with the Characteristics of Jesuit Education under the trusteeship of the Society of Jesus.

In Jesuit education the criterion of excellence is applied to all areas of school life and therefore our mission is the fullest possible development of every dimension of the person. In particular, we seek to foster a sense of values and a commitment to the service of others. Thus we pledge ourselves to an ever renewed faith which actively promotes the struggle for greater justice in the world.

This leads to the following objectives:

1. Gonzaga will aim to develop a school community which is based on respect, love and service.
2. In the pursuit of excellence, the educational process will be collaborative and reflective with openness to growth.
3. An understanding of the Gospel and its implications for action will be an integral part of the education offered to students at Gonzaga.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of Gonzaga College SJ shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

### *Parents and Pupils*

Because of its nature as a Catholic, Jesuit school Gonzaga expects that parents and pupils will accept and support the ethos of the school in a positive and active manner.

### *Pupils*

To this end, all pupils are expected to participate positively in the classroom and in the co-curricular and religious activities proposed by the College. These include retreats, liturgies, prayer groups, outreach and faith formation programmes.

### *Parents*

The College needs the fullest cooperation of parents and envisages attendance at parent-teacher meetings, information meetings and other events. Parents are also invited to participate in the Parent Fora. The College welcomes the support and contribution of the Parents' Association and Council.

The acceptance of a place in Gonzaga implies the agreement of parents and pupils to fulfil the expectations expressed in these paragraphs.

### *Finance*

Gonzaga is a fee-paying school and in addition to such funding as is provided by the Department of Education and Skills towards the employment of teachers, the finances of the school are provided by fees and by contributions from the Irish Jesuit Province.

## Development Programme

Since the college opened in the 1950s the Jesuit value of **Magis** - the challenge of the pursuit of excellence - has inspired continual development of the school. The Board of Management believe future planning and strategic capital development are crucial to ensure Gonzaga students benefit from a high standard of facilities enabling them to fulfil their greatest potential.

This Jesuit ethos of striving for 'greater' is what drives development in Gonzaga, promoting the culture of philanthropy that is so deeply embedded in Jesuit education. We are fortunate that our community of parents and alumni are cognisant of the impact of philanthropy in education and take pride in the fact that many of our alumni have been responsible for creating positive change in society through their generosity.

It was with the generous support of the Jesuit community, alumni, parents and corporate partners that the last development campaign - **Campaign for Excellence** - was finally completed in 2017. This campaign spanned 10 years of successful fundraising and delivered the **Coulson Theatre, the Sutherland Library, Dining Hall, 16 new classrooms**, the upgrading of sports' facilities (including new weight training equipment and additional changing rooms) and various other short-term science and technology refurbishment projects.

Our recently launched initiative, **Building for Tomorrow**, focusses not only on campus growth but also nurtures the idea of equality and inclusion in a real and tangible way. This campaign aims to deliver the following projects by 2030 – an **All-weather Astro Pitch**, the further development of the **Fr. John Sullivan Access Programme**, a new fit for purpose **Science, Maths & Technology Centre**, an **Interactive Teaching & Learning Hub** and additionally a **Creative Arts' Space** with studio and rehearsal rooms for drama, music and dance.

We encourage all incoming parents to join existing parents and the wider Jesuit Community in supporting the strategic and capital development plans at Gonzaga College SJ. Information relating to fees and other expenses will also be provided at the Parent Information Evening (see below) which forms part of the ordinary Application Process.
